

## **NOTICE TO OWNERS**

A reminder to Owners to please shut off your outdoor water, drain the system leaving your outside taps slightly open, and if you want, protect your hose bibs with a cold weather faucet cover.

There is one vacant Council position. If you are interested in serving as a Council Member, please put your name forward at the Annual General Meeting on November 27th. You need to be in attendance at the meeting if you are putting your name forward. Council Members are not required to do physical work around the Complex; that is done on a voluntary basis by those physically able to do so.
